Email address

Caregiver

Caregiver: Can log feedings, sleep, and photos. Like a partner, nanny, or grandparent who helps.

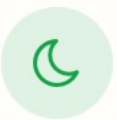

Viewer: Can see the tracking but not edit. Like a grandparent who follows along.

Stay one step ahead

We'll let you know when Taylor's nap window is closing or a feed is due, and show timers on the lock screen so you don't have to open the app.

Nap reminders, tuned to your baby's age

Feed reminders that respect quiet hours

Live timers on the lock screen

You can change this anytime in Settings.
