Pomodoro timer ?

Strict

Pomodoro timer

1. The Pomodoro Technique is a time management method to improve focus efficiency.

2. There are 6 steps in the Pomodoro technique:

Step 1: Decide on the task to be done.

Step 2: Set the Pomodoro focus length (e.g. 25 mins), focus sessions (e.g. 4 sessions), and break length (e.g. 5 mins).

Step 3: Work on the task.

Step 4: End work when each session timer ends, take a break.

Step 5: Start working again when break timer ends.
